

AV RIDER

Computer/Slide Advancer/Presentation

- Rashmi will bring her presentation on a thumb drive for the event AV team to use with their system.
- Rashmi will require a slide advancer/clicker that syncs with the AV team's equipment to advance her slides.
- Rashmi will have embedded video and audio in her presentation deck.

Microphone

- Rashmi requires a lavalier microphone or a "countryman" microphone connected to a professional audio system.

AV Testing Soundcheck

- Rashmi requires an AV check no fewer than 30 minutes before taking stage.

Confidence Monitors

- Rashmi strongly prefers at least one confidence monitor, if possible.

No Podium

- Rashmi prefers no podium on stage. If one must be present, it must be pushed back so she may walk in front of it unencumbered.
